Gold Coast QLD Australia

Exhibition Prospectus

Invitation to join the Inclusive Learning Technologies® 2012 Conference as a valued Exhibitor!

The Inclusive Learning Technologies Conference 2012 Committee will be hosting a Trade Exhibition to coincide with the conference. Spectronics has booked exclusive use of the Pavilion Marquee, adjacent to The Pavilion Convention Centre for the Trade Exhibition. Given the new, MUCH larger venue, many more exhibit spaces will be available in 2012. We expect close to 1000 delegates from across Australia and New Zealand to participate over the four days of the conference.

The Conference Committee here at Spectronics fully understands your needs as an exhibitor – having participated in literally hundreds of conferences ourselves. We will be working hard to ensure your investment is truly maximised. To encourage delegate participation in the Trade Exhibition we have ensured that ALL delegate morning/afternoon teas and lunch breaks will be served in the Pavilion Marquee Trade Exhibition area – meaning minimal loss of delegates to other areas of The Pavilion Convention Centre during the Conference. To further maximise delegate traffic to the Trade Exhibition, Spectronics will host a free two hour “Drinks and Canapés” function to be held in the Pavilion Marquee – from 5pm to 7pm on the first day of the conference (Wednesday 23rd May). No presentations have been scheduled to compete with this function, and past experience has proved that this is a VERY well attended opening event!

A full Exhibitor’s pack will be forwarded closer to the time of the Conference but to assist your planning, exhibit bump-in can occur anytime between 2pm and 6pm on Tuesday 22nd May – and from 7.30am onwards on Wednesday 23rd May. The Trade Exhibition will officially be open from 8am to 3.30pm each day (Wednesday 23rd May to Friday 25th May). The Pavilion Marquee will be locked at 6pm each night, allowing you to leave your booth as-is when you leave each afternoon. No need to pack up each night! Security guards will be present each day (including bump-in Tuesday) between 8am and 6pm to keep an eye on your belongings if you’re away from your booth. They will also ensure that only Inclusive Learning Technologies Conference delegates are in attendance!

What's included in your Exhibit package?

We understand your NEEDS as an exhibitor! We will ensure:

- Security! The exhibition area will be LOCKED at 6pm each evening, so absolutely no need to pack up your booth and valuables each afternoon and re-set back up again each morning. Security guards (REAL security guards) will be onsite from 8am to 6pm each day to ensure that your belongings are safe during the day.
- Exhibition opening hours will be 8am to 3.30pm – we know your time is valuable! And how being tied to a booth for long hours, days on end is far from ideal. But of course you are welcome to stay on longer each day if you wish.
- Full access to delegates – ALL morning and afternoon teas and lunches will be served in the exhibition area. A dedicated “Trade Display Opening Drinks and Canapés” function will also be held in the exhibition area, 5pm to 7pm on Day One.
- All meals for exhibitors will be served 15 minutes ahead of scheduled break times to ensure that you have a chance to sit and eat your lunch or catch a quick cuppa before the rush of delegates arrive!
- Option to attend all non hands-on sessions in the main conference program.

Exhibitors are entitled to the following:

- Booth shell (2.4m x 2.4m) with Velcro-sensitive wall material and fascia signage for your company name
- One dressed trestle table
- Two chairs
- Power
- Lights
- Security
- Morning/afternoon tea and lunch catering for one representative of your organisation
- Additional catering is available at \$95 per person per day
- One promotional item for inclusion in the popular delegate satchel

What will they be discussing?

In addition to four international Keynote Speakers (from the USA and UK), we will have many presenters from across Australia and New Zealand and trainers attending from the US and UK-based manufacturers of the technologies proudly sold and supported by Spectronics. These presenters will facilitate discussion in many areas including the following.

- Advancing independent achievement through technology for ALL!
- What is new? What is coming in 2012/2013? This is the ONLY conference in Australia/New Zealand where delegates have the chance to meet face-to-face with so many of the manufacturers of the technologies that they are using on a daily basis! Great for influencing future developments to better meet local needs!
- Speech Recognition solutions and applications in educational and workplace settings
- Apps for iPhones and iPads for special education, for AAC and for literacy support at both primary school and secondary school level
- eBooks, eBook readers and use in education
- Online delivery of ICT training and support services – on state-wide and national bases
- Logistics of school and University-wide implementation of technologies
- Supporting communication through technology for people unable to speak because of disabilities such as cerebral palsy, autism, stroke or motor neurone disease
- Developing early literacy skills for students with disabilities
- Government advocacy for provision of inclusive learning technologies
- Using technology to assist students with special needs in ALL areas of the curriculum
- Using technology to assist struggling students to show “what they know” despite their reading and writing difficulties
- Education Department advocacy to allow use of these technologies in high stakes examinations
- Best practice in application of the full range of inclusive learning technologies
- Using technology to boost self esteem and willingness to keep trying despite the difficulties experienced!

Conference Venue

Jupiters
GOLD COAST

Set amid one of the longest strips of pristine beach in the world and surrounded by hinterland ranges, Jupiters Gold Coast is the ideal location for one of Australia's best hotels and convention centres. As one of the largest and most flexible convention hotels in Australia, Jupiters Gold Coast offers the perfect mix of world class, state-of-the-art convention facilities set in seven acres of lush, tropical gardens. Jupiters Gold Coast is connected to the beach and shopping hub of Broadbeach via monorail access, or an easy 10 minute stroll!

Jupiters Gold Coast boasts a variety of accommodation options with 593 superbly appointed guest rooms, including 29 suites and two penthouses with private balconies. The hotel was named 'Best Venue with Accommodation' in Australia at the prestigious National MEA (Meetings and Events Australia) Awards in April 2010. If you require accommodation for any of your staff participating in conference events, contact the Conference Committee for advice on the special online booking link which allows you to book at the discounted room rate negotiated with Jupiters Gold Coast for conference participants.
