

How did we do? Did we meet your expectations?!

Please explain:

THE CONFERENCE IS FIRST CLASS. EXTREMELY WELL ORGANISED, IT IS NICE TO FEEL WANTED AND VALUED - IN MOST CONFERENCES THE EXHIBITORS ARE AN AFTER THOUGHT (WELL IT FEELS LIKE IT). THE "QUALITY" OF THOSE ATTENDING WAS REALLY GOOD. EVERYTHING WAS THOUGHT OF TO ENCOURAGE DELEGATES TO VISIT THE EXHIBITION WHICH WAS GREAT.

Thanks for the opportunity to be here. Much appreciated. The conference has gone from strength to strength, attracting a high quality of delegates, who actually do want to visit the exhibit to learn more.

The interest level of the delegates was fantastic. They made time to find/seek out the technologies - demo.

As a (ready) commiserated to, Michael & Barbara we were blown away by the professionalisation, presentation, attention to detail, follow up & personal contact. 12/10 - til next time!

Will you consider participating as a trade display exhibitor at Inclusive Learning Technologies Conference 2012?

Great Job, overall one of the best conferences we have participated in from every angle.

Thanks for your valuable feedback!

Please return to the Conference Committee at registration desk. We hope to see you again in 2012!
