Valued at \$11,669

Once again we are fortunate to have the generous support of Texthelp Ltd. in Northern Ireland as a Gold Sponsor for the 2014 Conference. They have offered the fabulous prize of a **Samsung Chromebook**, with a **Read&Write for Google Premium - One Year Single User Subscription**, and a **Read&Write GOLD Dual Platform for Windows and Mac - P-12 School and Home Site Site Licence** (Includes Read&Write 11 Gold for Windows with Australian/UK Voices and Read&Write 5 GOLD for Mac.) **Valued at \$11,669!**

This comprehensive package will provide excellent literacy support for ALL students - to use on Mac and Windows computers at your school and in their homes on computers owned by the students for the duration of their attendance at the school. Add in the easy-to-setup-and-use Samsung Chromebook, designed for online access on the move. When combined with Read&Write for Google on the Chromebook, your students are given powerful reading and writing supports accessible within Google Docs, PDFs, eBooks and more, wherever they are working.

Texthelp has also offered to exchange this offer for an equivalent value package of a Chromebook with single user annual licence and University, TAFE or PolyTech Read&Write Gold Dual Platform licence, if the winner comes from a tertiary education setting!

A competition will be run to ensure that this wonderful software package is awarded to the most worthy recipient at the conference.
